

The background of the image is a dense, textured pattern of green leaves, likely from a plant like basil or similar, with various shades of green and detailed vein structures. The leaves are arranged in a somewhat chaotic but natural-looking pattern, filling the entire frame.

AT THE FIELDS

A close-up portrait of a woman's face, focusing on her eyes and nose. She has light blue eyes and is looking slightly to the right. Her skin is fair and has a soft, natural glow. In the foreground, there are large, vibrant green leaves, possibly from a plant like a peace lily, which are slightly out of focus. The background is dark and blurred, making the woman's face the central focus of the image.
